Dear Friend:

Mr. Manley called me from Training camp yesterday and asked me to get in touch with you and find out if you could get the catcher you spoke to him about to join the team in camp. The Eagles are playing the Grays in Washington, D. C. Sunday, and he would like very much to have him there that day. I think he said the boy was from Delaware.

You can wire me "Collect" to 71 Crawford Street, Newark, N. J., if the boy can be gotten in time to meet the Club Sunday in Washington.

You may have heard Mackey did not report to the team this year, which leaves us with one catcher. I heard he had gone to Mexico, but I have not heard from him directly.

I will greatly appreciate your co-operation. Look to hear from you right away.

Very truly yours,
